Nel 1973 Binda Aldo iniziava la sua attività come venditore ed installatore di impianti aria compressa. Negli anni successivi si è iniziato a diversificare la politica aziendale, inserendo prodotti relativi alla automazione pneumatica, all'auto attrezzatura e molto altro ancora. Oggi, a distanza di molti anni, la BINDA ALDO è diventata una pura azienda commerciale, trasformando la propria ragione sociale in BINDA ALDO COMPONENTS, distribuendo in esclusiva diversi brand esteri sul mercato Italiano, iniziando importanti collaborazioni con aziende di spicco, sia nel panorama nazionale che estero, per quanto riguarda accessori e componenti per aria compressa. Una rete commerciale capillare e ben inserita, prodotti qualitativamente validi, un magazzino in continua evoluzione ed una sempre costante ricerca di accessori tecnici innovativi, ci permette di offrire una gamma sempre più completa di componenti .

In 1973 Binda Aldo began his activity as air compressed system seller and installer. In the following years the company did diversify the products lines, including components related to pneumatic automation, equipment and much more. Today, after many years, BINDA ALDO is a pure commercial company, transforming its company name into BINDA ALDO COMPONENTS, exclusive distributor of several Worldwide brands on the Italian market, starting important collaborations with leading companies both in the national and international market, especially for accessories and components for air compressed systems. Thanks to the established sales network, the quality of the products, the warehouse capability and the continue research for innovative technical goods, we can offer to the market a complete range of components.
